# Balance Your Digestion

with **iFlora®**

## Tackle digestive issues naturally!

**iFlora®** is the first choice in **Multi-Probiotic®** formulas and trusted by consumers for over 20 years. This premium daily probiotic formula does not need to be refrigerated and features 16 probiotic strains, including all three **as mentioned on The Dr. Oz Show:**

- Lactobacillus Rhamnosus
- Bifidobacterium Lactis (Infantis)
- Lactobacillus Gasseri

**iFlora** contains 32 billion active probiotic cells per serving plus non-gas forming scFOS® prebiotic fiber for optimum synbiotic support.\* Now with clinically researched probiotic strain, B. lactis HN019, to support optimal large intestine health and promote a healthy immune system.†

## **iFlora® Multi-Probiotic®** helps to:†

- Promote balanced, regular digestion
- Support a strong, healthy immune system
- Alleviate constipation and occasional diarrhea
